About Us

SOUTH GUJARAT SHARES & SHAREBROKERS LIMITED (SGSSL)

Initially, in the year 1992, the company South Gujarat Shares and Sharebrokers Limited (SGSSL) was started as an Association & later on it was incorporated as a Company under the Companies Act on 5th January, 1995, by our esteemed Founder person Shri Anil J. Choksi & other esteemed members. Shri Aiyub M. Yacoobali is associated with the company since 2001. He has joined the board as managing director in the year 2006. He is also a permanent director. His rich experience in corporate advisory service and Financial market helps the company to gain a lot.

SGSSL has obtained SEBI registration as Stock Broker in the year 1996 and has started its activities on 18th April, 1996, as full fledged member of the National Stock Exchange (NSE).

SGSSL feels proud of the fact that it has maintained a record of prompt payouts to customers, winning a reputation for reliability and transparency that is not too common in this business.

SGSSL is a Depository Participant (DP) of National Securities Depository Limited (NSDL) as well as the first Stock Broker and the first DP to start its activities within the South Gujarat region.

SGSSL is a Corporate Member of National Stock Exchange of India Limited (NSE), Bombay Stock Exchange Limited (BSE), MCX Stock Exchange Limited (MCX-SX) & Empanelled Depository Participant of National Spot Exchange Limited (NSEL).

Apart from Broking Business, SGSSL provides NRI services & is also engaged in the Distribution Business offering advisory Services of Investments into Mutual Funds, Investment Advisory, Initial Public Offer (IPO), Life Insurance and other small saving products, etc. The distribution services add up to its broking business. The company caters to the investment need of corporate groups, HNIs, Ultra HNIs, Retailers and NRIs.

SGSSL always strives to provide with the best services and make clients' life as simple as possible and firmly believe in customer centric and transparent approach which is backed up by Comprehensive Research, strong technological support and value added services.
